

BRAVER^{faith}TM

NAVIGATE THE WORLD WITH THE WORD

Teach your kids about morals, values, and God's Word while playing your favorite card games

BRAVER is an invitation to start courageous conversations about faith using a fun, collaborative, infinitely customizable card game.

The premise is simple. Each box includes 2 decks of cards:

- ♣ 52 customized Question Cards &
- ♣ 52 standard Playing Cards*

**Reimagined with diverse characters*

Choose any card game—Go Fish, War, Rummy, etc—then deal players in. Every time a Question Card comes up, stop play, and have everyone answer the question. Each card has a related Scripture verse (NIV) to guide the discussion. Play continues until the game is over. Everyone wins!
